

MDTS Call for Volunteers

MDTS is looking for professional practitioners and researchers to join the Program Committee. Please email your principal technical interest and background to us to start a conversation. The effort level of a typical PC member is less than an hour each week (on average) and is to review a maximum of 3 submissions a year. We also encourage PC members to submit their own works. Additional duties and responsibilities are available.

Steering Committee co-Chairs: Xinghao Chen (chenxinghao@ieee.org) and Ted Cooley (escooley03@gmail.com)
